Dear Liza Jackson Preparatory School Family and Friends,

PATHS is excited to celebrate the 21st year of Liza Jackson Preparatory School in our BRAND NEW BUILDING as we have welcomed close to 1000 students for the 2021- 2022 school year. Thanks to the generous support of our community, PATHS has been able to raise over \$500,000 and make a significant impact in the lives of over 18,000 students. As we march strong into year 21, we want to first say THANK YOU to you for your past support. Over the years, our parent organization has raised a remarkable amount of resources from charitable people like you. Aside from approving hundreds of mini-grants for our teachers to use for their classrooms, here is a list of the larger projects we've been able to accomplish in recent years:

*New bleachers at the Ron Crawford Recreation Center
Sun Shade over the new outdoor classroom
STEAM Machine
Security Cameras and Walkie-Talkie Radios for student and staff safety
Computer check-in system for parents and teachers
New sound system*

We have updated our sponsorship levels and benefits and hope you will consider donating this year.
