

PATHS

Parents and Teachers Helping Students

Highlights of the Sponsorship Projects Approved by Your PATHS Board...

Over the past three years your generous sponsorship donations, of over \$72,000, have funded much-needed projects around the school. Your PATHS Board approved the purchase of Chromebooks for each teacher in the school, as well as smaller classroom level projects via the PATHS Mini-Grant program.

Last year, one of our biggest projects was the support of funding for the bleachers needed at the Ron Crawford Recreation Center. This off-site facility is home to a number of the LJPS Athletics Programs, the LJPS After-Care Program, and the annual LJPS Summer Camp Program. Additionally, we are very proud of the LJPS Steam Machine - the first and only STEAM bus in the area! The bus gives teachers the unique opportunity to expose and instruct students in Science, Technology, Engineering, Arts and Math. We were also able to provide funding for the National Archery Team, a new floor for the Color Guard and money to allow coaches and sponsors to attend various state competitions. When it comes to Parents and Teachers Helping Students ... Liza Jackson leads the way!

We could not do it without our wonderful sponsors! Thank You for your support!

New this year, we see an opportunity to further benefit our students! We are offering you the chance to designate up to 50% of your Sponsorship Level to the Club or Sport of your choosing. You can also choose to allocate that percentage across multiple programs.

Sponsor Benefits	Platinum \$1000*	Diamond \$750*	Gold \$500*	Silver \$250*
Company Logo will be displayed on bags to be distributed to all students and staff. Logos will only be in one color. Donor level will also be recognized on Fall Festival tent sign. Deadline is 8/21/19.	X
