

Dear LJPS Parents,

Welcome to our Elementary Drama Program starring your kids! We are going to be exploring theater and acting together through stories, games, art projects, and songs.

Here at Liza Jackson we feel very strongly about the importance of enrichment through wheel classes. I'm so grateful to be a part of a school that values the arts and this learning opportunity for your kiddos.

Drama is a great space to have fun while also practicing important life skills, such as public speaking, creative problem-solving, and cooperation (to name a few). ☺ These skills will build your kids' self-esteem and help them throughout their academic career and beyond! I can't wait to help my students grow in their talents and abilities.

To my students: Everything we do in class will be to help us get comfortable acting and speaking in front of one another. It may get silly sometimes, but it's important to remember that this is not recess and the rules of the classroom still apply.

If you're worried about your acting chops, don't be! Following the classroom rules, having a positive attitude, and trying your best is the most important thing in Drama Class. Come ready to be kind, enthusiastic, and collaborative and you'll be A-Okay with me. I can't wait to start acting with you!

Parents, if you have any questions, do not hesitate to reach out to me.

Sincerely,

Mrs. Erwin
