

MOANA

“I AM MOANA”

I know a girl from an island, she stands apart from the crowd.
She loves the sea and her people, she makes her whole family proud.
Sometimes the world seems against you. The journey leaves a scar:
But scars can heal and reveal just where you are.
I am the girl who loves my island, and the girl who loves the sea it calls me.
I am the daughter of the village chief. We are descended from voyagers
Who found their way across the world they call me.
I've delivered us to where we are. I have journeyed farther;
I am everything I've learned and more still it calls me.
And the call isn't out there at all it's inside me.
It's like the tide, always falling and rising.
I will carry you here in my heart, you remind me that, come what may,
I know the way. I am Moana!
Yaykena, yaykena, yaykena. Tamatoe teney!

“WHERE YOU ARE” (2:18)

Moana! Make way! Make way! Moana it's time you knew:
The village of Motunui is all you need.
The dancers are practicing the dance to an ancient song.
Who needs a new song? This old one's all we need.
This tradition is our mission and, Moana, there's so much to do.
Don't trip on the taroroot, that's all you need.
We share everything we make. We joke and we weave our baskets.
The fishermen come back from the sea. I wanna see. Don't walk away.
Moana stay on the ground now, our people will need a chief and there you are.
There comes a day when you're gonna look around
and realize happiness is where you are.
Consider the coconut, consider the tree.
We use each part of the coconut it's all we need.
We make our nets from the fibers, the water is sweet inside.
We use the leaves to build fires and cook up the meat inside.
Consider the coconuts, the trunks and the leaves.
The island gives us what we need, and no one leaves.
That's right we stay. We're safe, and we're well provided.

And when we look the future, there you are. You'll be okay.
In time you'll learn just as I did: you must find happiness right where you are.
We make our nets from the fibers. The water is sweet inside.
We use the leaves to build fires, and cook up the meat inside.
The village believes in us. The village believes.
The island gives us what we need. And no one leaves.
So here I'll stay. My home, my people beside me.
And when I think of tomorrow, there we are.
I'll lead the way, I'll have my people behind me.
We'll build our future together where we are,
'cause every path leads you back to where we are.
You can find happiness right where you are. Where you are.

"HOW FAR I'LL GO" (4:52)

I've been staring at the edge of the water
long as I can remember, never really knowing why.
I wish I could be the perfect daughter, but I come back to the water
No matter how hard I try.
Every turn I take, every trail I track, every path I make, every road leads back
To the place I know where I cannot go where I long to be.
See the line where the sky meets the sea, it calls me
And no one knows how far it goes.
If the wind in my sail on the sea stays behind me,
One day I'll know If I go, there's just no telling how far I'll go.
I know everybody on this island;
Seems so happy on this island, Everything is by design.
I know everybody on this island has a role on this island,
So maybe I can roll with mine.
I can lead with pride, I can make us strong, I'll be satisfied if I play along,
But the voice inside sings a different song. What is wrong with me?
See the light as it shines on the sea. It's blinding
But no one knows how deep it goes;
And it seems like it's calling out to me. So come find me and let me know.
What's beyond that line? Will I cross that line?
The line where the sky meets the sea it calls me
And no one knows how far it goes.
If the wind in my sail on the sea stays behind me, one day I'll know how far I'll go!

“YOU’RE WELCOME” (7:27)

Ah, ha, ha, okay, okay! I see what’s happening, yeah.
You’re face to face with greatness and it’s strange.
You don’t even know how you feel. It’s adorable.
Well, it’s nice to see that humans never change.
Open your eyes; let’s begin. Yes, it’s really me, it’s Maui. Breathe it in.
I know it’s a lot: the hair, the bod. When you’re staring at a demigod.
What can I say except, you’re welcome, for the tides, the sun, the sky?
Hey it’s okay, it’s okay, you’re welcome. I’m just an ordinary demi-guy.
What has two thumbs and pulled up the sky when you were waddling yea high?
This guy! When the nights got cold, who stole you fire from down below?
You’re looking at him yo! Oh, also I lassoed the sun. (You’re welcome)
To stretch your days and bring you fun. Also I harnessed the breeze.
To fill your sails and shake your trees. So what can I say except, you’re welcome,
For the island I pulled from the sea? There’s no need to pray, it’s okay,
You’re welcome, I guess it’s just my way of being me! You’re welcome.
Well come to think of it, kid, honestly, I could go on and on.
I could explain every natural phenomenon.
The tide? The grass? The ground? Oh, that was maui just messin’ around.
I killed an eel, I buried it’s guts, sprouted a tree now you got coconuts.
What’s the lesson? What is the takeaway?
Don’t mess with Maui when he’s on a breakaway.
And the tapestry here on my skin is a map of the victories I win!
Look where I’ve been I make everything happen.
Look at the mean mini Maui just tickety tappin’, ha, ha, ha, ha, ha, ha, heh!
Well, anyway, let me say, you’re welcome, for the wonderful world you know.
Hey, it’s okay, it’s okay. You’re welcome. Well, come to think of it I gotta go.
Hey, it’s you’re day to say, you’re welcome, ‘cause I’m gonna need that boat.
I’m sailing away, away. You’re welcome, ‘cause Maui can do everything but float!
You’re welcome. You’re welcome. And thank you!

“WE KNOW THE WAY” (10:20)

Tatou tagata folau vala’auina e le atua O le sami telee o mai
La ava’e lle lu’itau e lelei. Tapenapena.
Away, away, we set a course to find.
A brand new island everywhere we roam.
Away, away, we keep our island in our mind;

And when it's time to find home, we know the way.
We read the wind and the sky, when the sun is high.
We sail the length of the seas on the ocean breeze.
At night we name every star; we know who we are.
We know who we are, who we are.
Away, away, we set a course to find
A brand new island everywhere we roam.
Away, away, we keep our island in our mind;
And when it's time to find home we know the way.
Away, away. We are explorers reading every sign.
We tell the stories of our elders in a never ending chain.
Te fenua te malie nae ko hakilia.
We know the way.
