I'm sorry to have to say it to your face, Lucy, but it's true. You're a very crabby person. I know your crabbiness has probably become so natural to you now that you're not even aware when you're being crabby, but it's true just the same. You're a very crabby person and you're crabby to just about everyone you meet. Now I hope you don't mind my saying this, Lucy, and I hope you're take it in the spirit that it's meant. I think we should be very open to any opportunity to learn more about ourselves. I think Socrates was very right when he said that one of the first rules for anyone in life is 'Know Thyself'. Well, I guess I've said about enough. I hope I haven't offended you or anything.

### Lucy

Do you know what I intend? I intend to be a queen. When I grow up I'm going to be the biggest queen there ever was, and I'll live in a big palace and when I go out in my coach, all the people will wave and I will shout at them, and...and...in the summertime I will go to my summer palace and I'll wear my crown in swimming and everything, and all the people will cheer and I will shout at them. What do you mean I can't be queen? Nobody should be kept from being a queen if she wants to be one. It's usually just a matter of knowing the right people, well.... if I can't be a queen, then I'll be very rich then I will buy myself a queendom. Yes, I will buy myself a queendom and then I'll kick out the old queen and take over the whole operation myself. I will be head queen.
